

Join the Friends of the Freedman Gallery

Members enjoy the excitement of . . .

Exhibitions. They continue to garner regional and national attention with emphasis on contemporary and international work of social and historical importance. Members receive advance notice of exhibitions through exhibition announcements and invitations to opening receptions.

Education programs for children and adults. A unique hands-on experience. Your member dollars help us fund tours for children in Berks County. More than 2,000 children visited the Gallery last year. Our unique *Discovery Guide*, a children's workbook for every exhibit, is our special gift to every young visitor.

Salons. These special events introduce our community to art professionals and allow one-on-one conversations with interesting and informative guest speakers.

Bus trips to areas of interest, including artists' studios in NYC, special exhibitions, outdoor sculpture venues and more.

A discounted rate to attend all special events. Help us as we continue to support exhibitions, gallery tours, lectures and workshops for children and adults.
